

Will Discuss \$400,000 Appropriation to Support Local Law Enforcement

New Mexico—On Saturday, June 20th Congressman Harry Teague will join representatives of Valencia county law enforcement agencies to discuss a \$400,000 appropriation recently approved by the House of Representatives as part of the Commerce, Justice, Science Appropriations Act of 2010. The funding will go toward a new technology project that will create a uniform record management system for Valencia county law enforcement. During the discussion there will be a briefing on the need for the technology, how the technology will be implemented as well as a demonstration of the system. All law enforcement in Valencia County including the municipalities of Los Lunas, Belen, Bosque Farms, and Peralta will benefit from the technology.
